1. Today's Make-A-Wish fact of the day is "if everyone in our school donated at least \$5 we would raise over \$2,260!" Think about this while donating. The current standing for the penny war in the middle school is 1st place: 8th grade with negative \$0.06, 2nd place: 6th grade with negative \$1.25, and 3rd place: 7th grade with negative \$3.64.
2. The Geography Bee will be held **TODAY**. Elementary begins at 12:45 and Middle School at 2:00. The IMC will be closed all afternoon. Good Luck to all participants!

3. The 8th Grade Girls Basketball team won a nail biter against Marion last night. The girl's had the lead going into half time, but Marion came back to give them a close last half. The girl's worked together and pulled it out with a 30 to 27 win. The 7th Grade Girls played great defense last night against Marion by forcing 23 turnovers. The Hawks scored 28 and held the Mustangs to 8. Join them for their next game, **TOMORROW** at home, when they take on Iola-Scandinavia.

4. The Royal Snow Ball will be held **FRIDAY** from 6:00-8:30 PM in the Elementary Gym. This is a semi-formal dance, girls are asked to wear dresses (no prom dresses) and boys are asked to wear slacks and a dress shirt, no jeans. Tickets are \$3.00 with pizza, soda and goodies for sale. Permission forms to attend are due to Mrs. Beyer.
