The 8th Grade Girls opened up their season last night with a hard fought 29-19 loss to St. Peter's. It was a tale of two halves for our girls. In the first half the team played sound defense and had some good looks on offense. The Lady Hawks went into halftime tied 9-9. The second half was filled with turnovers on offense and players out of position on defense. The girls battled but fell short. Olivia Witkowski led the Hawks with 10 points. Alexis Leyva chipped in with the other 9. The girls next game is **TOMORROW** at home as they host the Bonduel Bears.
